THANK YOU FOR SUPPORTING OUR ANGEL TREE PROGRAM!
The tag you hold in your hand represents a real child who is in need this year. They depend on you to help make their Christmas special. This year, our goal is to assist 10,000 children and ensure they have a Merry and Bright Christmas.

Incorrect/Confusing Tag Information: The information on the tag is generated by what the client provides to us. We have done our best to ensure each tag has clothing sizes and/or a toy wish (as submitted by the applicant). However, if you come across tags with no sizes, questionable sizes, no toy wishes, or wishes in a different language, please use your best judgment in selecting age-appropriate toys/clothing for that child. You can include a gift receipt so that the family can exchange items for correct sizes.

Expensive Wishes: We understand that tags will sometimes contain extravagant wishes that may be beyond what your budget can afford. We simply ask that you shop with your heart. Any gift the child receives will help them to have a Merry Christmas.

Gift Return Instructions

- Please note if you adopt online, you will receive an electronic Angel Tag via email that contains your Angel's wishes. You will not receive a gift bag. When you return your gift to our Christmas Depot, please return it **unwrapped in a clear plastic bag and place a copy of the electronic Angel Tag inside the bag with your gifts**. If you do not have a bag large enough to hold your gifts, we can issue you one at our Christmas Depot when you come to drop off your items.
- If you did not adopt online, your Angel Tag package will include Angel Tags, gift return bags, and zip ties
- Make sure all clothing/toys are **unwrapped** and fit in the clear Salvation Army bag provided for you
- If you are returning more than 1 bag for an Angel, please write the Angel Tag number on the 2nd bag so that we can keep the gift bundle together
- Please use the drawstring to close your Angel bag and zip-tie the Angel Tag to 1 drawstring handle. **Please do not zip-tie around both handles, as we may need to re-open the bag.**

Un-fulfilled Return Deadline – If you have Angels that you adopted but cannot fulfill, please coordinate with Beth Hornby, Development Director, no later than **November 23, 2026**, so we can work to get them re-adopted.
