Meet Joel & Yoanna who are in South Korea with their parents, Captains Minkee & Grace Kim. The Captains are the only ones serving overseas at the moment who have their children with them.

Yoanna went with her parents back in April when they left to begin their appointment and Joel has recently joined them and will be there one year as part of a student exchange program. Yoanna has been home schooled since arriving in Korea and will begin going to school on August 9th. Please pray that she will have a wonderful school life as she makes new friends.

She was excited to get her school uniform and is looking forward to being in a school. Her mother shared that she played her cello on Sunday in the Holiness service while middle school students sang. We can be sure that was a blessing for everyone. When officers are appointed overseas, their school-aged children usually go with them, so as a family they adapt to a new culture and language. Often they are a great support to their parents in the ministry as Yoanna is doing.

In May General Brian Peddle and his wife, Commissioner Rosalie were in Korea for the celebration of the 115th anniversary of the Territory. After the meeting the General and his wife took time to make one on one contact with those in attendance and Commissioner Rosalie gave loving encouragement personally to Yoanna. It was awesome!

Yoanna will turn 14 the 15th of October. We will try to keep you up-dated on what is happening there. The email addresses of her parents are included in the prayer concern list, should you wish to contact them.

Thank you for praying for both Joel & Yoanna

MISSIONARY TRIVIA

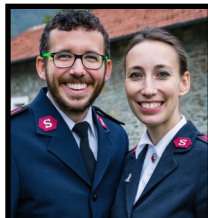

Now that Captains Minkee & Grace Kim are serving in South Korea, do you know of anyone else who has served from this Territory there, other than Commissioner Fred Ruth and his wife Sylvia?

PRAYER CONCERNS: More than here at home, folks are struggling with situations brought on by the war in Ukraine, as well as Covid-19, that result in limitations in ministry and loss of income. After you pray, why not drop the persons prayed for a line or send an email of encouragement and blessing.

PLEASE PRAY FOR:

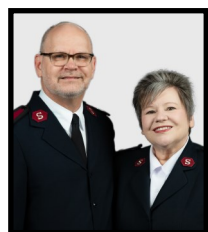

COLONELS STEVE & WENDY MORRIS - JAPAN: as Territorial Commander and Territorial President of Women's Ministries. They are requesting that we pray for their progress in learning the language, the finances of the Territory, and for the need for ministry personnel. Also for their son Andrew who is preparing for his senior year at UGA, and for the ministry of Angela & Chris, their daughter and son-in-law, in their corps. Be sure to check this out: Colonel Wendy has regular postings on Facebook sharing their "adventures". She explains not only a lot of what is happening in the Army, but gives insight to many of the traditions and customs of the people. Beautiful photos are always included.

CAPTAINS CHRISTOPHER & JESSICA WELCH - ITALY: along with sons, Rafaël Zane (6) and Liam Matteo (9), have returned to this Territory and are now serving as corps officers in St. Petersburg, Florida. Please remember to pray for them in this transition and continue to remember the ministry they left in Italy.

CAPTAINS MINKEE & GRACE KIM - SOUTH KOREA: along with 13 year old daughter, Yoanna, are serving as Corps Officers of the Nam Chungju Corps as of April. One of the first problems to tackle was flooding in the corps building, but the corps folks were able to raise some money and also do the work, so the problem was solved before the monsoon rains began! Joel, their college age daughter, has also joined them on a student visa for one year. You can see a photo on the front page of Joel and Yoanna and read a little of what is happening in their lives. They were blessed by a wonderful Officers' Councils and also the visit of the General for the 115th Anniversary of the work in Korea.

MAJORS DAVID & SUSIE ERICKSON - SINGAPORE: arriving just this month to begin serving there as Territorial Secretary for Business Administration (David) and Territorial Secretary for Program (Susie). Pray for them as they try to adapt and all they will be trying to understand and learn in these days.

125 is the number of Officers who have expressed interest in serving overseas. We may not know who they are, but God does and He can make them know if this is His will for them. Please pray to this end.

We would like to recommend also that you pray, from time to time, for those who are serving out of the Territory, not on "foreign" service, but sometimes they may feel like it!

Major Maureen Diffley, along with husband Major Robert Duskin (USA Central)
 Lt. Colonels Jonathan & Barbara Rich (USA Central)
 Lt. Colonels Stephen & Susan Ellis (NHQ)
 Captain Valentina Wearmouth (UK),
 along with husband, Captain Richard and baby son, Lucas.

Please share with others these needs as your prayers do make the difference.

Book

"A Missionary's Memories" by Henry Bullard (SP&S, 1946)
 General Carpenter called him "the last link with the beginning of Salvation Army missionary work," and said that his "experience was extraordinary, even for a salvationist." India, Japan, West Indies, and East Africa are all mentioned as "people whom the Commissioner knew - and loved, irrespective of their race or class." This book would be worth your effort to find a copy of and read.
