STORY OF HOPE

Sarah, a determined single mom, walked into the Salvation Army seeking a brighter future for herself and her children. When she enrolled in the Pathway of Hope program, she set ambitious goals: securing a higher-paying job to improve her family's financial stability and finding a reliable car to ensure she could get to work and care for her kids.

Through hard work, dedication, and the support of the program, Sarah not only achieved these goals but surpassed them. She landed a job with better pay and benefits, and with the help of Pathway of Hope and her caseworker, she was able to purchase a dependable vehicle. Today, Sarah is not just surviving; she's thriving. She's already setting new goals, aiming higher, and inspiring others with her journey. Her story is one of resilience and hope—proof that with determination and support, it's possible to create a better future.
