STORY OF HOPE

At The Salvation Army of Brown County's 4Twelve Student Ministry, one young student first walked through the doors for a hot meal. Food drew him in, but what he found would last much longer. Week after week, he returned—not just for dinner, but for the friendships, fun, and faith that began to shape his life.

In this safe and welcoming space, he discovered the freedom to be a kid again and the encouragement to grow in his relationship with God. As his trust deepened, his mom also became connected to the wider support network of The Salvation Army. Now, they no longer worry about where the next meal will come from. What began with hunger has become a story of hope, belonging, and transformation. Through 4Twelve, this student has found more than food—he's found a family.
