Tools for School provides back-to-school supplies. Weekly worship services, youth programming, adult Bible studies, and senior services. Operation Valor assists veterans with Bibles, spiritual counsel, material assistance, and personal care hygiene kits with custom prayers for veterans.

### CHOICE FOOD PANTRY & WORK CLOTHING

Clients in need can choose food, produce, diapers, and hygiene items from the Choice Food Pantry. We also help people obtain or retain employment with assistance on work related items like work shoes and scrubs.

### MUSIC ARTS PROGRAM

A 10-week program offered to kids age 9-17 years old. A variety of classes are available including brass, guitar, and chorus. Students perform a concert at the end of the program for the community. The program focuses on developing skills, friendships, and a relationship with God

### YOUTH OUTREACH

The Salvation Army provides school shoe vouchers for students each summer and throughout the school year when referred by teachers and staff. Monthly youth nights provide a fun environment for area young people in grades K-12. A primary goal is engaging with Pathway of Hope families for all youth outreach activities.

### HIDDEN FALLS CAMP

Hidden Falls Camp is a 700-acre camp near Bedford. It features nature trails, an indoor pool, fishing, a high ropes course, an archery range, and log cabins. Over 400 kids and senior adults from across Indiana participate every summer in various camps (STEM, music, art, discipleship, age-specific camps), focusing on the body, mind, and spirit.

### BREAKING THE CYCLE OF POVERTY

The Pathway of Hope program mentors families by teaching life skills and helping set goals for housing, employment, budgeting, education, and transportation to break generational poverty. The goal is to move from crisis to sufficiency. This is the "teach a person to fish" component of our mission.

## STORY OF HOPE

Elenor, who had attended a few programs at the Warsaw Salvation Army, was thrilled last summer when she heard they would be starting a worship arts program. She immediately signed up for the guitar class and was excited to get connected with Emma, the worship arts director, and the other kids in her class. Through the 10-week course, Elenor developed relationships with the other 9–17-year-olds in the program. After the course, she was excited and nervous to perform during the concert. The chapel was filled with people eager to hear their performances.

It was truly after the program that Elenor really began to thrive from her involvement in the music arts program. Because of the program, she was more comfortable getting involved in other youth activities at The Salvation Army and even attended 2025 youth councils at Hidden Falls Camp. At youth councils, she was able to grow closer to God and make several new and lasting friendships. She is now eager to attend Music Camp this summer at Hidden Falls and cannot wait to see what God has in store.
