BUILD YOUR OWN ICE CREAM SUNDAE

Here's how it works:

1. Visit the Sharp Center Information Station
2. At each table you visit, have them stamp your Toppings Tracker. (If a table doesn't have a person working at it, ask the person at the table next to it.)
3. Visit the Ice Cream Sundae Station at the serving window in the corner.
4. They'll scoop your ice cream for you and then you can select one topping for each stamp collected!
